EXPERIENCE

*Software Development Student
Uncommon.org Bootcamp I [July] 2024 –
Present*

- Completed a 12-month intensive training in full-stack web development, UI/UX design, and digital marketing.
- Collaborated on multiple team projects using Agile methodologies to design, build, and market real-world applications.
- Independently developed and deployed responsive web applications using React, TypeScript, Tailwind CSS, and Next.js.
- Applied user-centered design principles and SEO best practices to enhance usability and online visibility.
- Led Scratch programming sessions in surrounding schools, teaching coding fundamentals in a simplified, engaging format.
- Participated in code reviews, pair programming, and technical discussions to improve code quality and team outcomes.
